

\$50 Towards the Next 50 Years Fundraising Campaign

The 2013/14 season marks **50 years of music making** for the Cosmopolitan Music Society (CMS) in Edmonton. Over the years the Society's focus has been on turning music lovers into music makers and has enriched the lives of many individuals in Edmonton and the surrounding area both as participants and as supporters.

CMS is a vital part of the Edmonton community and performs at civic and provincial government events, participates in Music Festivals and performs regular and special concert series.

Our thanks to the numerous businesses and individuals who have made donations to support the many items needed to run our programs over these past 50 years.

For the 2013/14 CMS is launching a special **\$50 Towards the Next 50 Years** fundraising campaign to focus on ensuring CMS can play on into the future. All funds raised in this campaign will be directed to the **CMS Endowment Fund** through the Edmonton Community Foundation and will be used to support CMS program needs in perpetuity.

Of course, donations of any size are gratefully accepted. Donations of \$50 or more will be specially acknowledged during the 2013/14 CMS Season. Donations can be tax deductible.

If you would like to participate in this special campaign we invite you to complete the attached donation form. If you have further questions please contact our office by phone at 780-432-9333 or via e-mail at generalmanager@cosmopolitanmusic.org
